4. House League NCCP certification applies to Head Coaches only. Assistant Coaches at the House League level require PRS (Speak Out) certification.
5. The certification for Assistant Coaches for House League may be PRS only, but they would require the same certification as the Head Coach for participation with teams from outside its House League (i.e. exhibition and/or tournament play). In addition, if the Head Coach were not available to start a House League game, an appropriately Certified NCCP Coach would be required to act as the Head Coach.
